

ICSE Speakers Corner 2009

Following the success and positive feedback about the Speakers Corner in Madrid in 2009, **ICSE Speakers Corner will return in 2010** giving all exhibitors the chance to present their company and services to a captive, qualified and highly interested audience.

Located in a prime location, **highly visible on the show floor**, the speakers corner will facilitate an extra meeting place between exhibitors and visitors, which will **guaranty your company makes a big impact!**

What's more, in addition to your own promotion, **The Speakers Corner will be published on the ICSE website** so please provide your topics and titles as soon as possible, as this will ensure all traffic on the ICSE website has access to your schedule. **Your topics and title** will then be **highlighted in the event guide** which is **given to ALL attendees**, going by last years figures this would mean a reach of **25,147!**

The programme **will also be featured in the 'Show Dailies' and on glossy flyers handed out on the show floor.**

The ICSE Speakers Corner is the perfect platform to inform and educate the industry about your company's products, services, new launches, innovations and news whilst also driving attendees to your stand. Visitors can attend freely without registration.

For just €800, you can book a 30 minute session. The price includes:

- All necessary equipment
- Your Speaker just has to arrive with their power point presentation saved on a USB stick.

The **allocation of sessions** is done on a **first-come, first served basis. So don't delay and get your details in today to ensure you get the slot you need!**

For more information and time slot availability please contact:
