Glossary of Terms

Audit Status:

There are three possible stages of certification:

Organiser's Statement - Subject to Audit - The organiser has provided event data which has been prepared in accordance with ABC rules but not yet been audited by ABC.

Audit Complete - ABC have audited the Organiser's Statement and reported no changes to the data.

Audit Report - Audit Complete - this is a statement issued by ABC when problems found at audit show that there were material errors in the organiser's original return submission and subsequent certificate. A revised certificate is issued with the audit report entered on the front page of the certificate.

The audit status is shown at the top of each page of the certificate.

Total Unique Attendance:

The Total Unique Attendance is the number of individuals who attended the event.

Event Details:

Details of the current and next scheduled event, including:

Year Established: The year in which the event was first held .

Event Sponsors: If claimed, a list of any sponsors will be shown .

Organiser's Association Membership: If claimed, a list of any associations to which the event is registered/affiliated.

Organiser's Descriptions:

A free text area on the certificate is available for the organiser to describe the main products & services exhibited and the target audience. Neither of the descriptions are audited by ABC.

Further Analyses:

Industry/Business/Sector, Job Title/Function and Geographic Analysis are mandatory analyses. Further analyses can appear on the certificate and share the same format as the mandatory analyses.

Visitor Attendance: This is the total number of visitor attendees that the subsequent breakdowns are relevant to.

Specified: The number of attendees that provided a response on the registration document.

Unspecified: The number of attendees that did not provide a response on the registration document.

Total Responses: This total is included where multiple responses are allowed for a question.
